## 23<sup>rd</sup> Conference of Open Innovations

# Association FRUCT

### Bologna, Italy, 13-16 November 2018

## Overview

FRUCT is a large Pan-European cooperation network that promotes open innovations of academia and industry. FRUCT conference is a high-quality scientific event for meeting academia and business people and setting projects. The average conference is attended by 120+ participants representing over 30 member organizations and guests from other organizations. Participants come from Italy, Finland, Russia, UK, Denmark, India, Brazil and other countries and industry is primarily represented by Dell EMC, Nokia, MariaDB, Intel, Jolla, Open Mobile Platform, etc. The conference attracts most active and talented students to present their R&D projects, meet people alike, create new teams, and find employers and investors. The conference invites the world-class academic and industrial experts to lecture on the hottest topics. Traditionally the program consists of FRUCT work groups meetings and intensive (half or full day) technology trainings scheduled for Tu. **The main conference program is for Wed-Fri.** It includes regular sessions and thematic workshops, e.g., Workshop on IoT in Agriculture and Water Distribution. We welcome everybody to submit papers and take part in the conference, share your research and join the FRUCT Association. Thanks to sponsors we traditionally have low registration fee and various discounts can be applied.
